Vision

To be a leading global hygiene solutions provider, empowering individuals and communities to live healthier, happier lives through innovative products and sustainable practices.

Mission

We aim to improve hygiene practices and promote well-being globally, by delivering high-quality, innovative hygiene products and solutions, while educating and empowering communities, driving positive change and a healthier future.

A photograph of a paper mill. In the foreground, several large rolls of white paper are being processed on a conveyor system. The rolls are arranged in a curved path, and the machinery is made of metal. In the background, more rolls of paper are visible, along with industrial structures and lighting. The overall scene is industrial and clean.

Our Commitment to Quality & Care

At SAFNIC, we prioritize quality and care in every aspect of our products and services. We understand that hygiene is essential for overall well-being, and we are dedicated to providing products that meet the highest standards.

At SAFNIC, we believe in fostering strong partnerships to expand our reach and impact in the hygiene products market. Our commitment to quality and innovation opens doors for collaboration with businesses of all sizes. Whether you are a retailer, distributor or entrepreneur, we offer a range of opportunities designed to help you thrive in the hygiene industry.

Business Opportunities

Retail Partnerships

Join us as a retail partner and bring our premium hygiene products to your customers. With a diverse range of offerings, you can enhance your product line while meeting the growing demand for quality hygiene solutions. We provide marketing support, training and promotional materials to help you successfully sell our products.

Distribution Opportunities

Become a SAFNIC distributor and gain access to a wide array of hygiene products with proven demand. We are looking for distributors who share our vision of quality and customer satisfaction. With our competitive pricing and strong brand reputation, you can build a lucrative business while contributing to community health and well-being.

Collaboration and Co-Branding

We welcome innovative ideas and collaboration opportunities. If you have a unique business proposition that aligns with our values and mission, we would love to explore co-branding initiatives or joint ventures that can elevate both our brands and enhance customer offerings.

Online Retailing

With the growth of e-commerce, selling SAFNIC products online presents a unique opportunity for entrepreneurs. Whether through established online marketplaces or your own e-commerce platform, you can tap into a growing customer base seeking convenient access to quality hygiene products.

Bulk Purchase Options for Institutional & Corporate Support

SAFNIC is proud to support a wide array of industries and institutions through our bulk purchase programs. We understand the unique hygiene needs of hospitals, educational institutions, restaurants, hotels, malls and corporate offices. With competitive pricing on bulk orders, we offer exceptional value for businesses that prioritize hygiene and cleanliness.

Healthcare Sector (Hospitals and Clinics)

Hygiene is of utmost importance in the healthcare industry. SAFNIC provides bulk purchasing options for hospitals, clinics, and medical institutions, ensuring that you always have a steady supply of high-quality sanitary pads, tissues, and other hygiene products. We are committed to ensure the safety and well-being of patients and staff alike.

Hospitality & Hotel Industry

For hotels, restaurants and cafes, maintaining cleanliness and hygiene is critical to customer satisfaction. SAFNIC offers specially tailored bulk purchasing options for the HoReCa (Hotels, Restaurants, and Cafes) sector, allowing customers to stock up on essentials like tissues, toilet rolls and kitchen rolls at competitive prices. Our products are designed for high performance and durability, perfect for high-traffic environments.

Educational Institutions (Schools, Colleges & Universities)

SAFNIC understands the critical role of hygiene in maintaining healthy learning environments. Our bulk purchasing program is ideal for schools, colleges and universities looking to provide students and staff with reliable hygiene solutions. With large quantities of tissue products, sanitary pads and kitchen rolls available at discounted rates, we ensure institution remains clean and comfortable for all.

Corporate Offices & Business Centres

A clean and hygienic workplace is essential for productivity and employee well-being. SAFNIC offers bulk purchasing options for corporate offices and business centres, providing a wide range of hygiene products to meet the daily needs of offices. From tissues to toilet rolls and sanitary pads (sanitary napkins), we help ensure a healthy and professional work environment.

Malls & Retail Spaces

In high-traffic areas like shopping malls and retail spaces, hygiene standards must be consistently high. SAFNIC's bulk purchasing options provide retail spaces with cost-effective solutions for maintaining cleanliness and hygiene, ensuring customer comfort and safety at all times.

Catering & Food Industry

For catering companies and food service businesses, hygiene is non-negotiable. SAFNIC offers specialised bulk purchasing packages for the food industry, including tissues and kitchen rolls, ideal for maintaining food safety standards. Our products ensure your workspaces stay clean and compliant with industry regulations.

Why Choose SAFNIC for Bulk Purchases?
